FINANCIAL AGREEMENT HEALTH INSURANCE

We would like to take a moment to welcome you to our office and to assure you that you will be receiving the very best care available for your condition. To familiarize you with the financial policy of our office, I would like to explain how your medical bills will be handled.

EXPLANATION OF INSURANCE COVERAGE

Most insurance covers Chiropractic and/or Acupuncture care, but this office makes no representation that you does. Insurance

policies can differ greatly in terms of deductible and percentage of coverage for Chiropractic and/or Acupuncture care. Because of the variance from one insurance policy to another, we require that you, the patient, be personally responsible for the payment of your deductibles, as well as any unpaid balance in this office. We will do best to verify your insurance coverage, and will bill your insurance company(ies) in a timely manner.

ASSIGNMENT OF BENEFITS

Attached is an "Assignment of Benefits" form which we would like you to sign. This form instructs your insurance company to send their payments directly to this office. Please sign all copies of this form. If your insurance carrier sends you payment for services incurred in this office, you shall send or bring the full payment to our offices immediately upon receipt.

RELEASE OF INFORMATION

If your insurance company requires medical reports to document your treatment and progress, your signature below authorizes the release of medical information necessary to process your claim.

VOLUNTARY TERMINATION OF CARE

If you suspend or terminate your care at any time, your portion of all charges for professional services are immediately due and payable to this office. All services rendered by this office are charged directly to you, and you ultimately will be personally responsible for payment, regardless of your insurance coverage.

Once again, we would like to welcome you to our office. We hope that this has answered any questions you might have regarding your financial arrangements. If at any time you have any questions about your case, please don't hesitate to ask.

I have read and agree to the above.

HEALTH CARE PROVIDER-PATIENT ARBITRATION AGREEMENT

Article 1: Agreement to Arbitrate: It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

Article 2: All Claims Must be Arbitrated: It is the intention of the parties that this agreement bind all parties whose claims may arise out of or relate to treatment or services provided by the health care provider including any heirs or past, present or future spouse(s) of the patient in relation to all claims, including loss of consortium. This agreement is also intended to bind any children of the patient whether born or unborn at the time of the occurrence giving rise to any claim. This agreement is intended to bind the patient and the health care provider and/or other licensed health care providers or preceptorship interns who now or in the future treat the patient while employed by, working or associated with or serving as back-up for the health care provider, including those working at the health care provider's clinic or office or any other clinic or office, whether signatories to this form or not. All claims for monetary damages exceeding the jurisdictional limit of the small claims court against the health care provider, and/or the health care provider's associates, association, corporation, partnership, employees, agents and estate; must be arbitrated including, without limitation, claims for loss of consortium, wrongful death, emotional distress or punitive damages. Filing of any action in any court by the health care provider to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim. However, following the assertion of any claim against the health care provider, any fee dispute, whether or not the subject of any existing court action, shall also be resolved by arbitration.

Article 3: Procedures and Applicable Law: A demand for arbitration must be communicated in writing to all parties. Each party shall select an arbitrator (party arbitrator) within thirty days and a third arbitrator (neutral arbitrator) shall be selected by the arbitrators appointed by the parties within thirty days thereafter. The neutral arbitrator shall then be the sole arbitrator and shall decide the arbitration. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees, witness fees or other expenses incurred by a party for such party's own benefit.

Either party shall have the absolute right to bifurcate the issues of liability and damage upon written request to the neutral arbitrator. The parties consent to the intervention and joinder in this arbitration of any person or entity that would otherwise be a proper additional party in a court action, and upon such intervention and joinder any existing court action against such additional person or entity shall be stayed pending arbitration.

The parties agree that the provisions of the California Medical Injury Compensation Reform Act shall apply to disputes within this Arbitration Agreement including, but not limited to, sections establishing the right to introduce evidence of any amount payable as a benefit to the patient as allowed by law (Civil Code 3333.1), the limitation on recovery for non-economic losses (Civil Code 3333.2) and the right to have a judgement for future damages conformed to periodic payments (CCP 667.7). The parties further agree that the Commercial Arbitration Rules of the American Arbitration Association shall govern any arbitration conducted pursuant to this Arbitration Agreement.

Article 4: General Provisions: All claims based upon the same incident, transaction or related circumstances shall be arbitrated in one processing. A claim shall be waived and forever barred if (1) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable California statute of limitations, or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence.

Article 5: Revocation: This agreement may be revoked by written notice delivered to the health care provider within 30 days of signature and if not revoked will govern all professional services received by the patient.

Article 6: Retroactive Effect: If patient intends this agreement to cover services rendered before the date it is signed (for example, emergency treatment) patient should initial below.

Effective as of the date of first professional services.

Patient's Initials

If any provision of this Arbitration Agreement is held invalid or unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision. I understand that I have the right to receive a copy of this arbitration agreement. By my signature below, I acknowledge that I have received a copy.

NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS CONTRACT.

INFORMED CONSENT TO CHIROPRACTIC TREATMENT

I hereby request and consent to the performance of Chiropractic adjustments and any other Chiropractic procedures, including examination tests, diagnostic x-rays, and physical therapy techniques on me (or on the patient named below for which I am legally responsible) which are recommended by the doctor of Chiropractic named below and/or other licensed doctors of Chiropractic who now, or in the future, render treatment to me, while employed by, working for, associated with, or serving as backup for the doctor of Chiropractic named below.

I understand that, as with any health care procedures, there are certain complications, which arise during a Chiropractic adjustment. Those complications include, but are not limited to: fractures, disc injuries, dislocations, muscle strain, Homer's Syndrome, diaphragmatic paralysis, cervical myelopathy, and costovertebral strains and separations. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck, leading to, or contributing to serious complications including stroke. I do not expect the doctor to be able to anticipate all risks and complications, and I wish to rely on the doctor to exercise judgement during the course of the procedures which the doctor feels at the time, based upon facts then known, are in my best interest.

I have had an opportunity to discuss with the doctor named below and/or with office personnel the nature, purpose and risks of Chiropractic adjustments and other recommended procedures and have had my questions answered to my satisfaction. I understand that the results are not guaranteed.

I have read () or have had read to me () the above explanation of the Chiropractic adjustment and related treatment. By signing below I state that I have weighed the risks involved in undergoing treatment and have myself decided that it is in my best interest to undergo the Chiropractic treatment recommended. Having been informed of the risks, I hereby give my consent to that treatment. I intend this consent form to cover the entire course of treatment for my present condition and for any future conditions for which I seek treatment.
